Ho Chi Minh City, July 22, 2025

To:

- **The State Securities Commission;**
- **The Hanoi Stock Exchange**

Hai Minh Corporation would like to explain the change in profit after tax in the Separate financial statement for the Quarter 2/2025 compared to the same period in 2024 as follows:

Net profit after tax for Quarter 2/2025 is 6.321.429.263 VND, an increase of 4.100.889.722 VND, or 185% compared to Quarter 2/2024. This result is mainly driven by financial investment activities. Specifically:

- In Quarter 2/2025, the company received profit distribution from the 2024 earnings of its subsidiaries.

- Financial expenses recorded amounted to -112.748.194 VND due to the reversal of the provision for devaluation of trading securities.

Hai Minh Corporation explains the change in profit after tax in the consolidated financial statements for Quarter 2/2025 compared to the same period in 2024 as follows:

Net profit after tax in the consolidated financial statements for Quarter 2/2025 decreased by 466.901.733 VND, corresponding to a decrease of 19,64% compared to Quarter 2/2024. The main reason for this result is the decline in gross profit from sales and service provision, as well as a decrease in financial profit in Quarter 2/2025 compared to the same period last year.

We commit to the accuracy of the information provided above.

Sincerely./.
